## Welcome to Life Spring

Summer has officially started, and with our celebration of our nation's birthday less than a week away, we're mindful of how quickly time passes. It seems like just yesterday we were complaining about the winter that would never end.

Now we are wondering when we'll catch a break in the heat. Before we know it, we'll be asking, "Where did the Summer go?"

All this should serve to encourage us to be vigilant in our service to the Lord. Too often we put off witnessing to friends or getting involved in a role of service in the church by saying that we'll do it at a "more convenient" time.

But then the seasons pass, and before we know it, it's too late.

If God is prompting you to do something for His Kingdom, don't keep putting it off. If you wait until it's a "good time" to do it, chances are it will never get done. So purpose in your heart that you will seek Him and serve Him now, while you have time and opportunity.
