Getting Started

Describe a time when you tried to accomplish a task without the right tools, equipment or ingredients (e.g. a building project or following a recipe).

- How would having the right “stuff” have made a difference?

Bible Study Questions

1. What difference did it make to the early church that at the time of the Spirit’s arrival, “they were all together in one place” (v. 1)?

- Consider the problems that would have occurred if the church had been scattered at this time.

2. Consider the story Pastor Paul told of the man attending the revival meetings who was accused of “leaking”. In what ways do we, as believers, “leak” spiritually?

3. Look up the following verses. What do they tell us about how can we be “filled with the Spirit”?

Ephesians 4:1-3

Philippians 1:27-28

Galatians 4:16, 22-26

4. What words are used to describe the reaction of the people who heard the disciples speaking in various languages in verses 6-12?

5. How do you suppose that some people who witnessed this miraculous event could deny that God was in it (v. 13)?

Apply It
