Series: Saved to Serve
Sermon: Saved to Serve—Part Two
Scripture: 1 Corinthians 3:1-9

GETTING STARTED

As you consider your own service to the Lord through Life Spring, where do you think you fall on the spectrum of service below?

|-----|
**I could do more
than I do right now** **I serve about
as much as I
can.**

If you marked a spot closer to the left than the right, what is it that keeps you from serving more (time, opportunities to serve, etc)?

BIBLE STUDY

1. Read 1 Corinthians 3:1-9 and answer the following:
 - a. Who were Apollos and Paul and what was their relationship to the Corinthian Church?
 - What problem was the church experiencing in regards to Paul & Apollos?
 - b. What does Paul say to try to nip this problem in the bud?
 - c. How do these verses relate to us in terms of the use of our spiritual gifts in the church?
2. Look up 1 Corinthians 12:7. What does this teach us about the way spiritual gifts are distributed?
3. Look up the following verses. What do they tell us about our service to God?
 - a. 1 Corinthians 15:58
 - b. Colossians 3:23-24

APPLY IT

Pastor Paul said on Sunday that God will not hold us accountable for the results, but He does hold us accountable for the effort. What does that mean to you? How does that affect your service to the Lord?
