GETTING STARTED

What's the best gift you've ever received, or the gift you most remember?

- What makes the gift so special or memorable?

BIBLE STUDY

1. Read Titus 2:11-14 and identify the words and phrases that relate to God's grace as:

- GIFT:
- REDEMPTION:
- AVAILABLE:
- CHRIST-CENTERED:
- ETERNAL:

2. From Titus 2:11-14, what do we learn through grace?

3. What do the following verses teach us about Christ's redemptive work?

- Galatians 3:13
- Galatians 4:4-5

4. It is said that John Newton was inspired to write the hymn we know as *Amazing Grace* after reading 1 Chronicles 17:16-17. Read that passage. What about it do you think would have caused Newton to think about "grace" after meditating upon that Scripture?

APPLY IT

Consider ways in which your Christian life is different because you live by grace rather than through a system of laws, expected behaviors or other externally applied pressure.
