### BIBLE STUDY

#### **1. Read Jeremiah 17:7-8 and answer the following questions.**

Pastor Paul mentioned that the word “planted” conveys the sense of a deliberate and intentional act. How does the knowledge that starting Life Spring was a deliberate and intentional act affect our ability to have confidence in going forward with a capital campaign?

In what ways has Life Spring “sent out its roots” over the past year?

- In what ways can you see that having our own facilities would affect our ability to send out our roots?

**2. Read Jeremiah 17:5-6 and answer the following questions.**

Below, on the left, we find what God says about the person who trusts in God (vv. 7-8). Fill in the information on the right with what we learn about the person mentioned in verses 5-6.

**VERSES 7-8**

He trusts in God.

---

He is blessed.

---

He is like a tree planted by water.

---

Does not fear heat when it comes.

---

No worries in a year of drought;

Never fails to bear fruit.

---

**APPLY IT**

Make a list of the things that excite you about the capital campaign and what makes you apprehensive. Ask God to relieve you of worry and anxiety by allowing yourself to trust completely and wholly in Him and His provision.
